

One Day Story from the Life of The Hare - The Player

1. Wash your hands. Clean your hands with MAGNETIC Hand Disinfectant spray. You should disinfect your hands before you start doing any nail service. Using a 240 grit file take away the shine from the nail plate. Apply Nail Antiseptic. Apply Soft Bond Primer. Apply nailforms. Apply Prestige Acrylic Powder Opaque Pink. Carefully remove nailforms. Using a file, shape and smooth surface and buff it.

2. With a brown paint in the center draw a silhouette of a hare in a hat.

3. Supplement the composition with the contours of a toy hare, playing cards, cubes and letters. In the given work I would like to represent a magic story of one day from the life of the Hare – the Player.

4. Using white and gray acrylic powder, form the contour of a hare's face. Using a needle put down the dots in a place where moustaches will be drawn. With peach acrylic powder mold a nose, with blue - an eye.

5. Using white, pink, blue and dark gray acrylic powder, decorate the clothes and the hat of the hare.

6. Using the same colors add abstract design on other fingernails.

7. With black, brown and red paints color elements.

8. With black, brown and red paints color elements.

9. With black, brown and copper paints add shades.

10. Slightly trace elements and put down dots with white paint.

11. Fix design with Supreme Finish. To fix a paint on acrylic molding elements is not necessary.
